Has 2 ports, one for a gauge and one for a hose.
 No contamination of process system with oils & water.
 Won't freeze in low temp from water intrusion.
 Can be used on a bench or taken out to the field.
 2 Year "Quibble-Free" warranty.

FEATURES

Fluids in a transmitter or delicate system have always been a concern. Magnum Pro introduces the only fully versatile high pressure pneumatic pump capable of generating pressure up to 3,000 psi without liquid or the use of nitrogen. Two support legs fold out to stabilize the pump so it can be operated by either foot or hand. The vernier allows the pressure to be finely adjusted and sealed off to dial into the desired pressure.

MODELS / EXTRAS

- PP-4.....\$3,499**
 includes Pump, Manifold, (2) 5ft high pressure hose, fittings.
