Trade Info

Trademark: SMART SENSOR

Model NO.: AR856A

Export Markets: Global

Basic Info.

Model NO.: AR856A

Export Markets: Global

Additional Info.

Trademark: SMART SENSOR

Company: [Hongkong ARCO Science & Technology Co., Limited](#)

Product Description

Anemometer AR856A

*Measure wind speed, temperature, flow and infrared thermometer

*Wind speed range: 0.3~45m/s

*Wind temperature range: 0~45° C (32~113° F)

*Wind flow range: CMM: 0-999900m³ /min

*Infrared thermometer range: -50~300° C

CFM 0-999900 ft /min

*Measure 2/3 max and average wind flow

*Current/Average/Max reading

*Display in Celsius or Fahrenheit

- *8000 data memory
- *Large LCD display with backlight
- *Auto/Manual power ON/OFF
- *Low battery indication
- *Data hold, store, recall and delete
- *Backlight ON/OFF
- *Connect to computer with USB connection cable
- *Corresponding computer software

SPECIFICATION

*Wind speed range	0.3~45m/s
*Wind temperature range	0~45°C (32~113°F)
*Wind flow range	CMM: 0-999900m ³ /min CFM 0-999900 ft /min
*Accuracy of wind speed	±3%
*Accuracy of wind temperature	±1°C (3.6°F)
*Accuracy of infrared thermometer	±2%
*Resolution	0.1m/s & 0.2°C/°F
*Unit of wind speed	M/s, Ft/min, Knts, Km/hr, Mph
*Unit of wind temperature	°C/°F
*Unit of wind flow	CMM/CFM
*Power	9V alkaline or NiCd battery

PACKING INFORMATION

*Packing	Gift box
*Accessories	1). 9V battery (6F22 or similar) 2). Manual (English version) 3). USB computer connection cable 4).Software CD
*Color	Dark gray
*Dimension	Main unit: 83x26x150mm Vane: 63x30x130mm
*Weight	257g
*Quality per carton	12pcs
*Carton size	52.5*45*34cm
*G.W. per carton	14.0kg
