P11EX

Article: 00037497

DIGITAL PRESSURE GAUGE / PROCESS / ROBUST / INTRINSICALLY SAFE

The P11 Ex is an intrinsically safe digital pressure gauge with pressure ranges from -1 trough 1000 bar.

Benefits

Pressure Range from -1 trough 1000 bar

Approval: Ex II 1G EEx ia II C T5 / T6

Accuracy ± 0.1 % FS

6 selectable pressure units

Min/Max/Peak functions

Zero/Tare function

Pump Kits available

Price request

SPECIFICATIONS

Display: digital

Type: process

Protection level: robust, intrinsically safe

Pressure: Min.: -1 bar (-14.5 psi)
